

A Credentials' Reader that is guaranteed to catch your attention!

THE REVEEL-IT® INCREDIBLE READER

Developed and patented by Astornet Technologies, Inc. Reveel-IT® Imaging Reader instantly reads:

- > US Driver's Licenses
- > Canadian Driver's Licenses
- > US Military IDs
- > US Immigration & Naturalization IDs
- > Federal & State Government IDs
- > Credit Cards, Store Cards, & Company IDs
- > Smart Card IDs
- > PIV-II Federal IDs

Just place a bar-coded ID on the top window, swipe a magnetic-stripped ID, touch your smart card against the side plate, or insert it in. Reading is done within 2 seconds.

It is compact, convenient and takes very little counter space. Can be easily integrated with any software application.

DATA COLLECTION HAS NEVER BEEN SO EASY!

With Reveel-IT® Reader, you can instantly read identification medias into your application, in seconds. Use it to:

- > Save time and money
- > Increase business efficiency
- > Improve your ROI
- > No more manual data entry
- > No more data entry errors
